

MA 1980

MA 1980

eighty.

פולגות

Manual Arts High School
Los Angeles, California

Sympathetic and spirited too!

Toilers do it all for you

Homecoming...

No one could wait for Homecoming day,
Anxious to see our football team play.
The cheerleaders were happy and having
fun.

They cheered themselves down like the
setting sun.

Everyone was in suspense

As they announced the King and Queen,
There was more excitement than anything
we've seen.

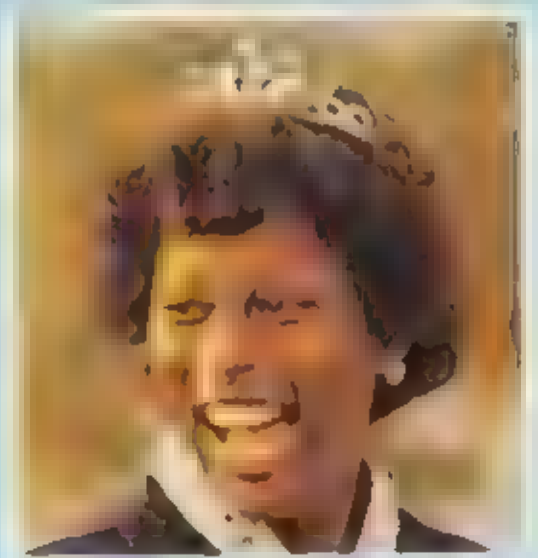

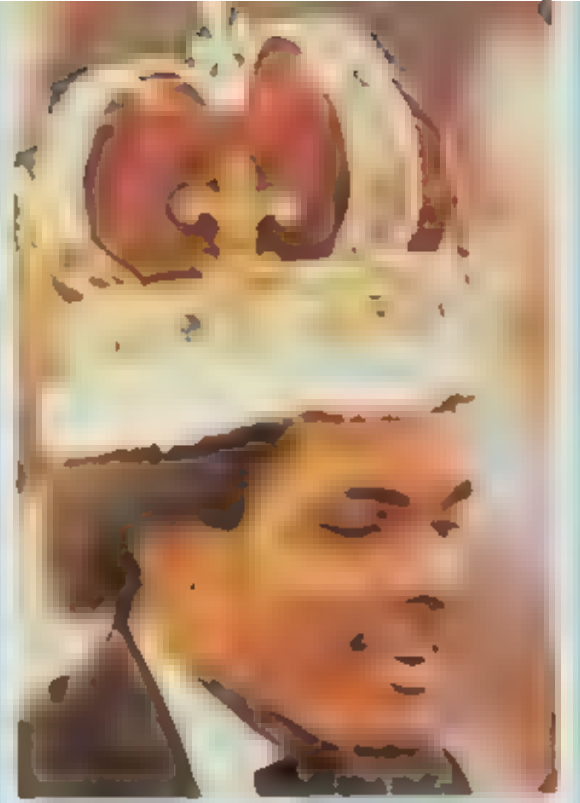

The Queen, King and court were so lovely
and bright.

Everyone was thrilled half-time turned out
so right.

Our team did not win; they'll try harder
next year.

And once again we all will cheer.

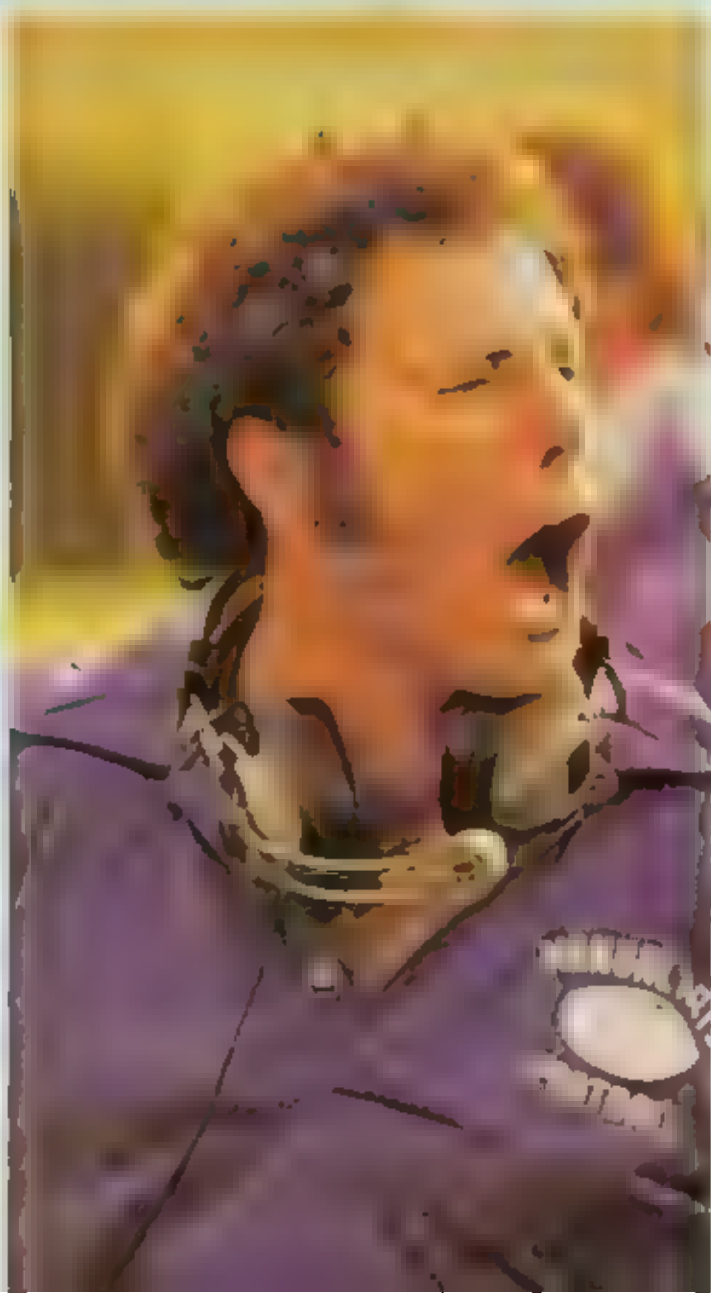

A festive occasion

Half-time activities were exciting as Tom Bolden and Lonnie Hinton, commissioners of athletes (top left), announced the Homecoming Court of 79-80. Carolyn DeCosta and Reginald Mathews were 10th grade Princess and Prince. 11th grade Princess and Prince were Kathleen McKinney and

Miles Morrison. The senior class was represented by 4th runners-up, Coquese Fuller and Von Parchman; 3rd runners-up, Sandra Sterling and Gregory Barnes; 2nd runners-up Kcedar Lewis and Edis Anderson; 1st runners-up, Patricia Boyd and Kenneth Battle. Gail Smith and Bernard

Hamilton (top right) returned to give up the crowns they received in '78 to Mitzi Archer and Ricky McGowan, Homecoming Queen and King '79. Tamara Lewis and Keith Allen (bottom left) introduced Councilman Farrell to the student body as part of the Homecoming activities.

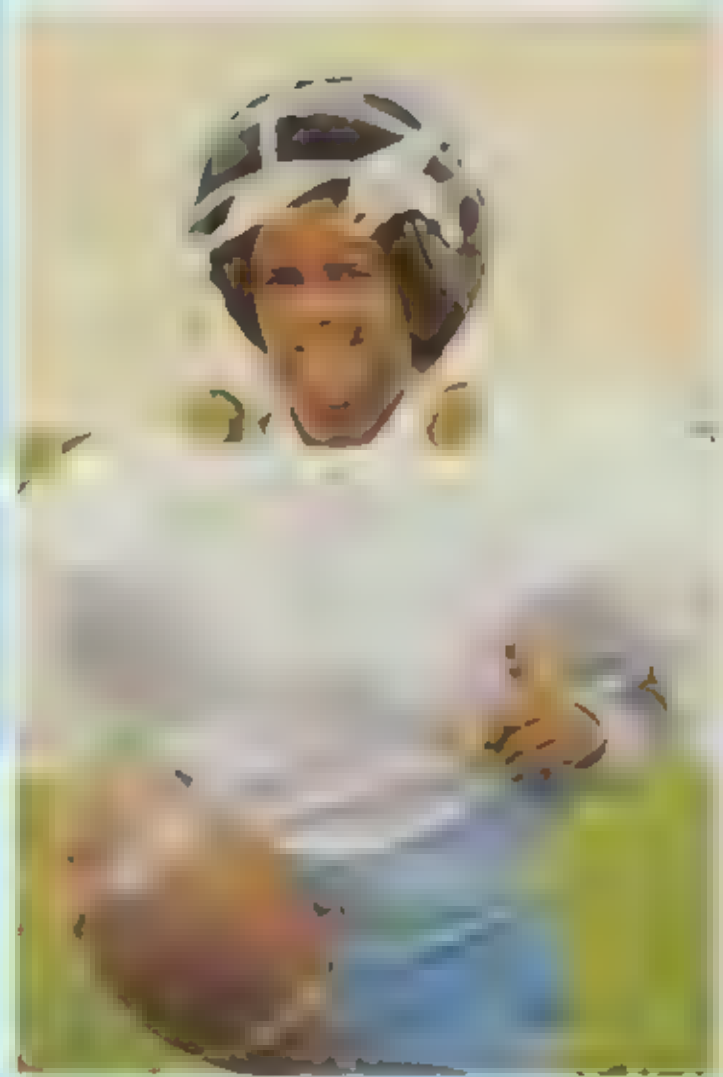

Go!

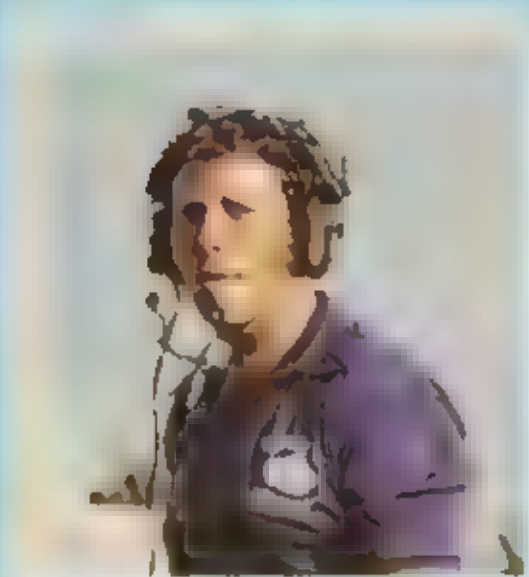

Putting it all together

Wow!

They're on
candid camera . . .

Togetherness is happiness

Latonya Mathews and Gregory Barnes can deal with reality (1)
 That's why they made it for best personality
 For inseparable we have Anthony Bryant, Adam Thomas, Kcedar Lewis and Cynthia Bastine (2) They're always together, no matter where they're seen
 They are very kind and their manners are the neatest
 that's why Alisa Cox and John Myers are the sweetest (3)
 With a sense of humor like Vincent (Touche) Stevens and Lori White, being upside down for them seems to be right (4)
 Don't be mean and never say hello, be like the friendliest seniors, Lonnie Hinton and Susan Quintero (5)

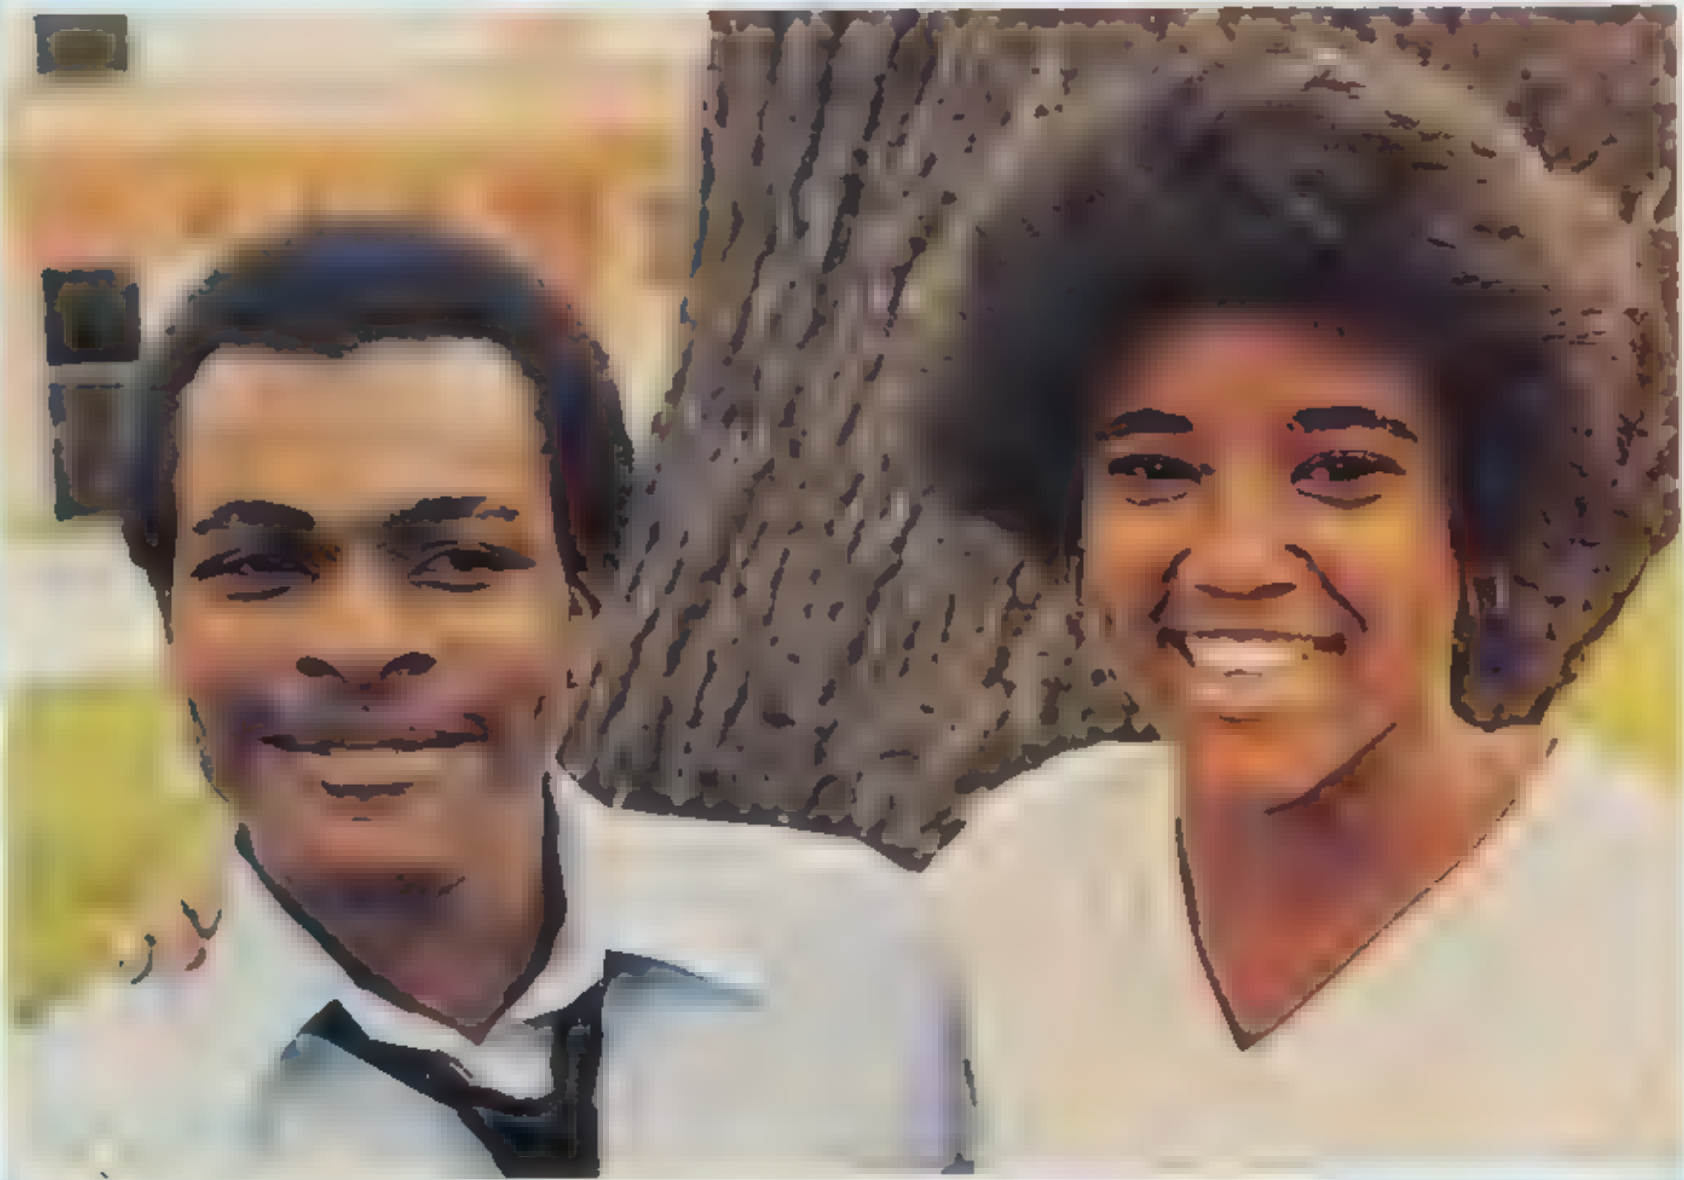

Mitzi Archer and Von Parchman will pass any fashion test
 They are known as the two best dressed (1)
 For Pamela Davis and Keith Allen being unique is like one
 of a kind They are different, but not hard to find (2)
 What are those pretty things which catch gals and guys?
 It's Charles Collins (3) and Gwen Grider (4) with the pret-
 tiest eyes
 Ricky McGowan and Sandra Sterling's faces aren't simple
 Upon their cheeks they have some beautiful dimples (5)

Lookin' Good

Heavenly smiles

Pamela Davis (1) and Thomas Ford (2) are the youngest, but that's okay; they'll get old one of these days

You don't have to scream or shout, Lori White and Kevin Mays will do it for you, they have the loudest mouth (3) These smiles are so pretty and giant. They belong to Doris Wells and Anthony Bryant (4) For Ricky McGowan and Kcedar Lewis being bashful is their thing. No one hardly ever hears them laugh, talk or sing (5) Kathryn Hawkins and Stephan Williams are the oldest, as we all know. But for some reason their gray hair and wrinkles never show (6)

We're number one
and still having fun . . .

To be talented you don't have to be a sportsman,
this year's most talented are Dee Dee Hamilton
and Von Parchman (1)
Lori White and Samuel Chance are very energetic
That's how they got it for most athletic (2)
For Coquise Fuller and Troy Meacham being most
spirited is real joy They're always on the go, like
an unwindable toy (3)
Tamara Lewis and Lonnie Hinton are most popular
and classiest (4) They are the new teen pop
or heard by every young man and young lady (4)
While trying to make their bodies have anwers
Cathy Burton and Jeff Mott are known as
best dancers (5)

Will your hair hold up
if you run for miles?
Shelia Batiste and
Joseph Smith's will;
they have the best
hairstyle (1)

Shelita Shelly and
Andre Bradley may
not grow until they
reach their forties
If they do grow they
will still be known as
our class shorties
(2)

She doesn't need
bobby pins or tape
Vera Young has the
best natural and it
has a great shape
(3)

For photogenic we
have Tracy Smith
and Zachary Price
The pictures they
take always come out
nice (4)

Tamara Lewis and
Andrew Jenkins'
hobbies are to write
and read They're
the ones most likely
to succeed (5)
Even though some of

their friends are the
smallest Naomi
Whiting and Wal ace
McClennan are proud
to be the tallest

We're still the ones!

Feeling good?

Patricia Boyd and Vincent Stevens are the cutest in the 1980 class. So cute and elegant like a golden glass (1)

Latonia Williams and Terry Banks are the ones most attractive. With their looks they don't have to be too active (2)

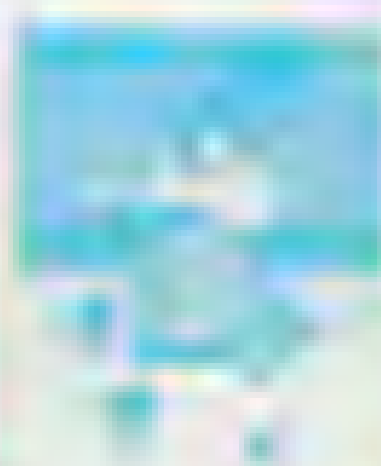

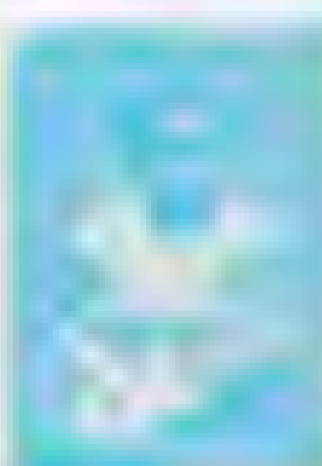

For best figure we have Gregory Barnes and Alisha Cox. They have curves that are well rounded and not like a box (3)

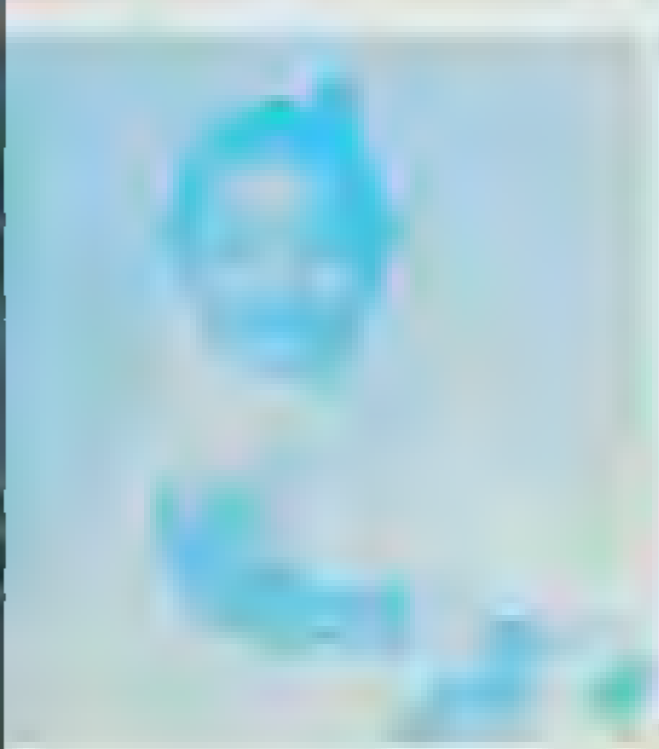

'The Great Cassanova' is what they should put on their shirts, because Wanda Wade and Charles Collins are our class flirts (4)

Good looks and nice clothes are not needed, because Coquise Fuller and Steve Morris have what it takes to be most conceited (5)

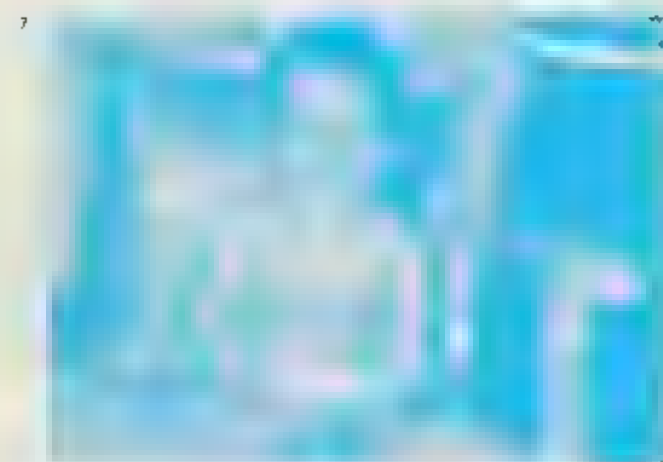

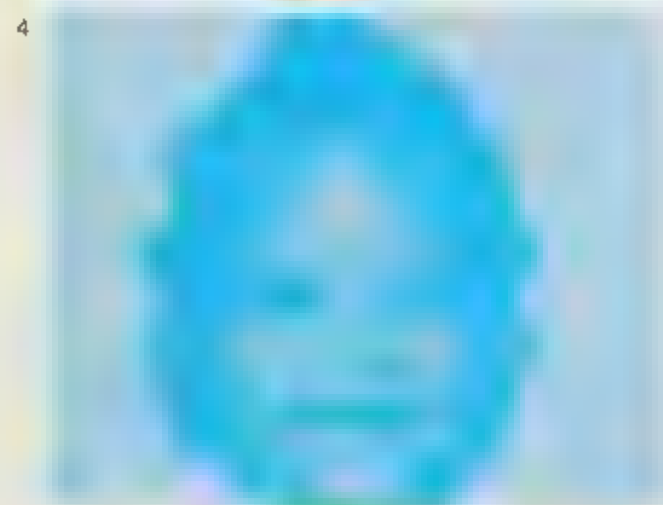

Those were the days . . .

Varsity beats Belmont by 3

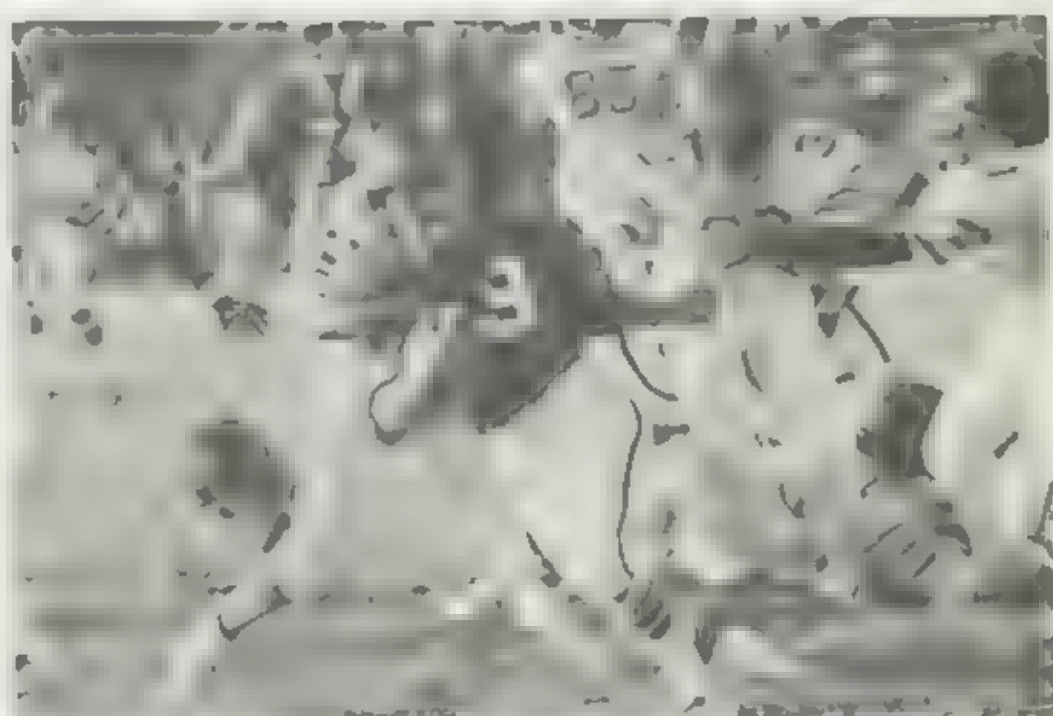

Varsity football team defeated Belmont by a score of 3-0 in a game played last night at the University of California, Berkeley. The game was a part of the California High School Athletic Union (CHSAA) playoffs. Varsity, coached by [illegible], scored the only points of the game in the second quarter. Belmont, coached by [illegible], was unable to score during the game. The game was a hard-fought battle, with both teams showing great defensive effort. Varsity's offense was led by [illegible], who scored the game-winning touchdown. Belmont's offense was led by [illegible], who was held in check by Varsity's defense. The game was a testament to the skill and determination of both teams.

Chess and Backgammon

Let $V = \{v_1, \dots, v_n\}$ be a set of n vertices and $E = \{e_1, \dots, e_m\}$ be a set of m edges. Let $G = (V, E)$ be a graph. Let A_1, \dots, A_n be a set of n attributes. Let $M = \{M_1, \dots, M_n\}$ be a set of n models. Let f_1, \dots, f_n be a set of n functions. Let $W = \{w_1, \dots, w_n\}$ be a set of n weights. Let $S = \{s_1, \dots, s_n\}$ be a set of n scores.

CSF

The first part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1.1) as $t \rightarrow \infty$. It is shown that the solutions of the system (1.1) are bounded and tend to zero as $t \rightarrow \infty$. The second part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1.1) as $t \rightarrow 0$. It is shown that the solutions of the system (1.1) are bounded and tend to zero as $t \rightarrow 0$.

The '79-'80 school year has been an exciting one—within the school, the community, the country, the world. Numerous events are studied and discussed in the different social studies classes at Manual. Pictured with their students are: (1) Joel Hahn, (2) Ted Bennett, (3) Bill Regan, (4) Maurice Herberg, (5) Stan Caldwell, (6) Ferguson Rhemm, (7) Calvin Fong.

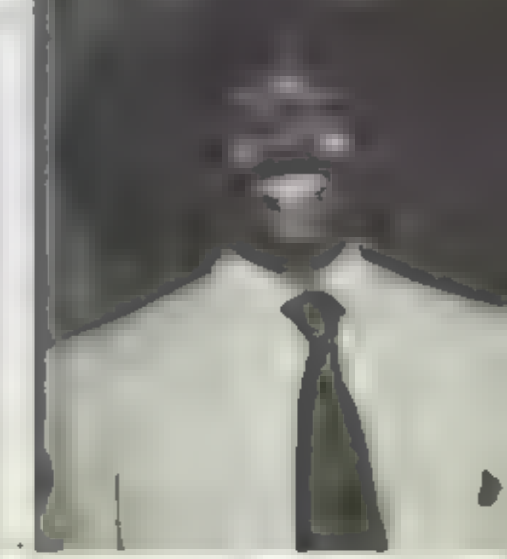

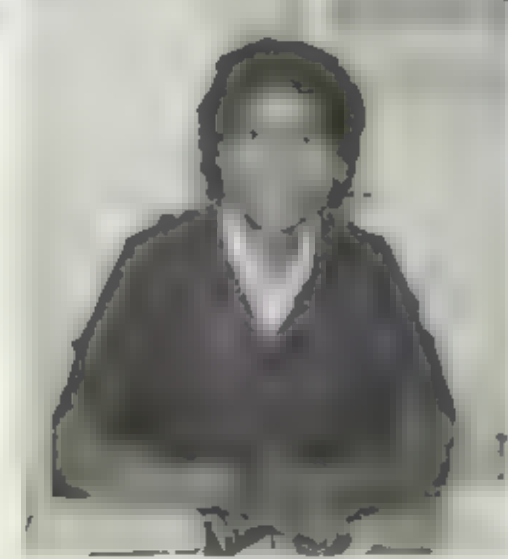

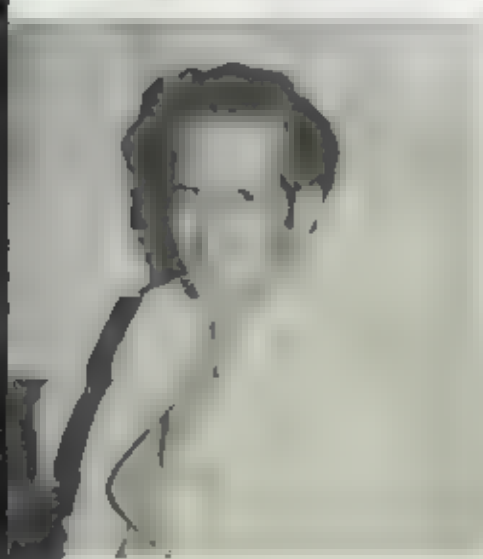

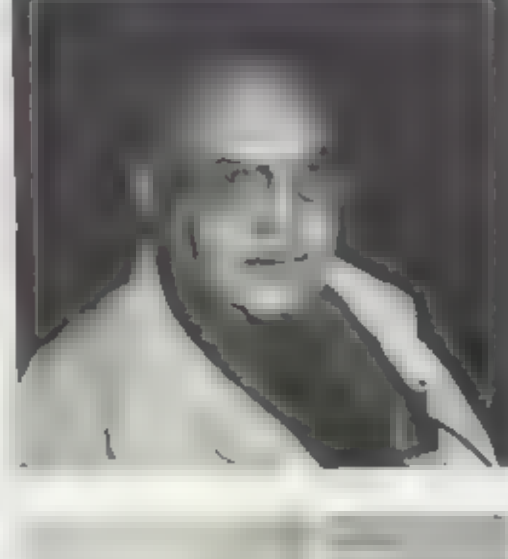

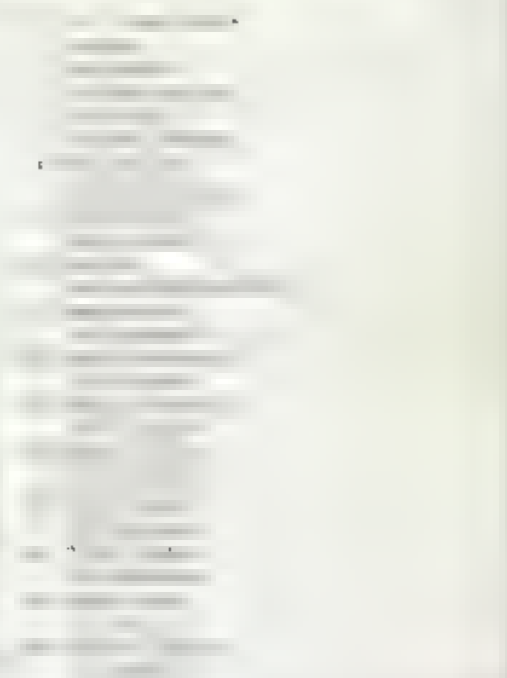

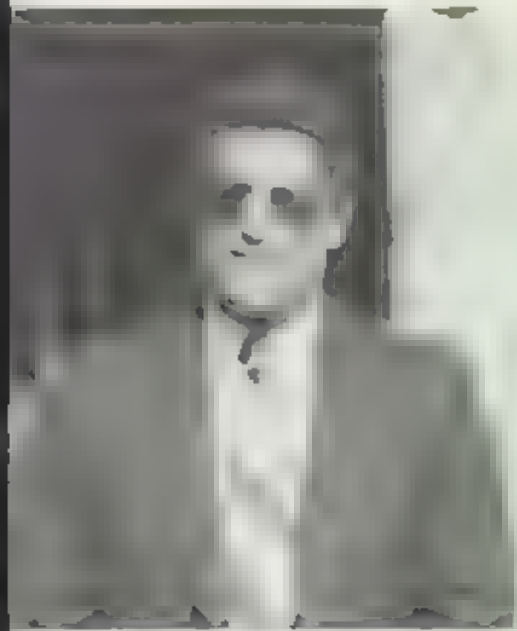

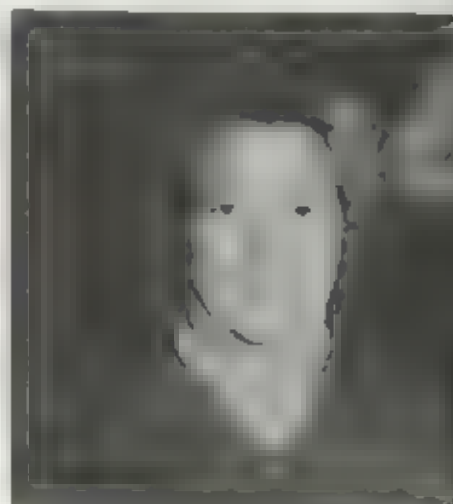

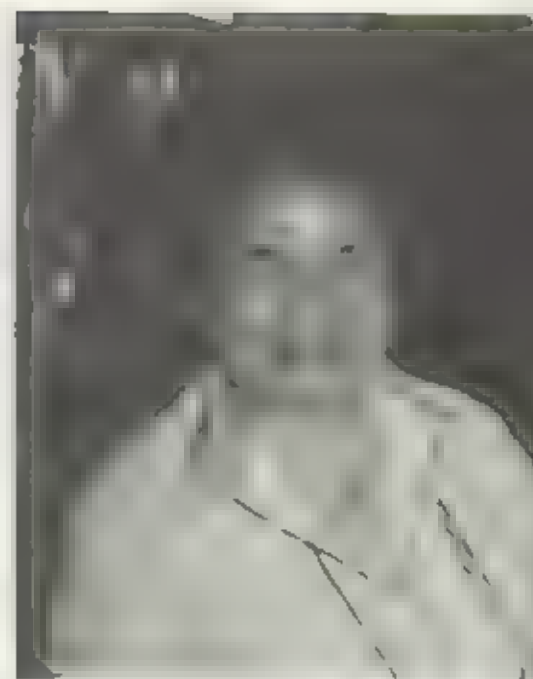

Watch the news. Take notes.
Test tomorrow. No cheating!

Social Studies

We did it our way,
just to see you smile.

When things went wrong, as they sometimes do we tried again, just for you. We've worked very hard until this day, just to please you in a special way. Now all we want is your appreciation of our great yearbook creation.

Custodial staff: Joyce Clark, Leonard Watts, Andre Shannon, Florence Crump, Leroy Fair, Annie Faulcoren, Leon Ramsey, Willie Jackson. Not pictured are Theo Carraway, Louise Bolden, Napoleon Garther, Robert Thomas, William Minor.

Cafeteria workers: Ruby Nelson, Mary France Simmons, Ollie Albright, John McFadden, Gloria Salcedo, Joy McLean, Delores Robinson, Ola Moffett, Necie Redick, Loraine Nichols, Debra Galloway, Robbie Greene, Sherry Tate.

The media crew, Alonzo Greene and Alfred Sierras, put it all on video tape while David Silvers prefers to put it on film.

Dramatic Dancers, Dynamic Designers

A very special thanks from Doreen Barsky

Juniors and sophomores it's time to say goodbye
 We can't come back but please don't cry
 We'll be working our way to the higher road
 Our wonderful brains will be carrying a heavy load
 We want to become lawyers secretaries and physicians
 But in order to do so we must earn those positions
 You might think we're finished with learning but we're not
 It's a long and unsteady road that we have to trot
 We mustn't stop now we have to go on
 Because if we do stop our dreams will be gone
 We started off as sophomores and we were ready to learn
 When we became juniors we had gone too far to turn back
 Now we are seniors and we're ready to leave
 We have a lot of great goals that we want to achieve
 Sophomores and juniors only years to come
 You're going to have to work hard to become number one
 We know you can't get far on Fails and D's
 So do your best get some A's and B's
 You have to do your work and stick together
 Try to do as well as you can or even better
 If you want to make it to the higher road you have to do your best
 You must make it to the top
 Because this is known as the road to success
